

assisted living | dementia care

Expert in assisted living and dementia care

Epoch Elder Care provides premium assisted living facility homes for elders with specialized needs, focused on conditions such as dementia, Parkinson's, stroke, mental health disorders, COPD and other chronic conditions, for long term & short term stay.

Epoch Dementia Caregiver Training Program

The Epoch dementia caregiver training program will assist in creating a more caring and aware caregiver network, which will help in meeting the changing needs of those suffering from dementia by providing better-quality care and emotional well-being.

Practical training to manage daily caregiving challenges

How to efficiently communicate with an elder who has dementia

Equipping informal caregivers as well with essential dementia care skills

How to tailor strategies to personalize the care

Reduces caregiver stress as they learn to manage tasks and behaviors

Techniques to help stimulate cognition & delay progression

Increases satisfaction and fulfillment in caregivers as they provide better care

Strategies to manage challenging behaviors effectively
